# Education

Educational institutions count on practical, easy-to-use Post-it® Products to make the most of their time and make fundraising and alumni relations more effective. Create great impressions with quality organization and communications products they know and trust.

## Post-it® Flag Highlighter

Post-it® Flag Highlighters let educators and students highlight a section, then flag the page for later reference. They're great for studying, organizing and grading.

## Post-it® Notes

Help students, family and alumni display their pride again and again to friends and colleagues with custom printed Post-it® Notes.

## Post-it® Note Cube

Generate long lasting impressions by combining side-printing for fun graphics and school spirit with the functionality of a Post-it® Note.

## Post-it® Flags

For repeated impressions, get custom printed Post-it® Flags. They make it simple to mark, flag or highlight important information and your message is seen by people who value this organizational tool.
