### Traditional Layout:

*Note:* When designing sheet graphics, pay close attention to adhesive edge on sheet and how your graphics will be used when printed on sheet. (Example: if printing an arrow on sheet, and sheet will be used to point to an area on a form, make sure arrow point is printed on adhesive edge.)

Adhesive Edge

*Graphics above this line will be hidden from view in the dispenser with paper insert card. Imprint or laser engraving on plastic top may also cover sheet-imprint.*
